28TH Tuscia, Viterbo and the 2 lakes

The medieval city of Viterbo shares with Rome its past as a Pope hometown.

We will reach it driving around the Lake Bracciano, with the famous Castle Orsini where many popes used to live and where many VIPs like Tom Cruise got married. Then we will drive beside the ancient etruscan ruins of Sutri, lake Vico and Viterbo to see the medieval town and the Palazzo dei Papi.

Afternoon will see us over the impressive Farnese Palace in Caprarola, around the ancient roman aqueduct in Nepi, a pleasant drive on the other side of Lake Bracciano and finally back to the hotel.

29TH Castelli Romani and 3 lakes

On friday our cars will head south: we will leave Rome and drive thru the roman hills, over the Pope summer residence in Castel Gandolfo, around Lake Albano and Nemi, to the medieval town of Sermoneta with its huge castle crowning the centre.

We will visit the world famous Ninfa Gardens before driving away to Fossanova Abbey.

Time for a coffee and on the wheel again, climbing the Circeo mountain, that the legend says it's Circe petrified by the pain after Ulysses left her, and then down to the sea reaching Sabaudia and a charmy hotel on Lake Paola.

30TH Latium countryside from mountains to the sea

On the last day of rally we will drive thru the wildest part of Latium, touching small country towns and farm, driving up and down the mountains collecting almost a thousand bends.

The morning will be the hardest part of the race. The gain will be a special traditional lunch in the green countryside of Ciociaria region. The castle of the Devil Monk in Itri will look at us climbing the mountains again before falling to the coast and having a stop in the wonderful white town of Sperlonga.

A quick visit of the ancient town over the sea will be the farewell sight before returning to Sabaudia for the final gala dinner and the prize giving ceremony.

Time to congratulate ourselves for being part of the first edition of something very special and unforgettable.
